

LEATHER SOAP

Antiquax Leather Soap is manufactured to a formula perfected long ago by leather craftsmen to clean and preserve all types of leather. Its blend of soaps and waxes will protect and clean your leather.

DIRECTIONS:

Use a damp sponge or cloth to produce a lather, rubbing well into leather. Remove any surplus and allow to dry. Polish off with a clean cloth to restore natural lustre and finish. Where serious deterioration has occurred, treat the leather with Antiquax Leather Cream.
